§ 400.175 Revocation and non-acceptance.

(a) FCIC will deny reinsurance to any insurer or will terminate any existing reinsurance agreement if any false or misleading statement is made in the financial statements or any other document submitted by the insurer in connection with its qualification for FCIC reinsurance.

(b) No policy issued by an insurer subsequent to revocation of a reinsurance agreement will be reinsured by FCIC. Policies in effect at the time of revocation will continue to be reinsured by FCIC for the balance of the crop year then in effect for the applicable crop. However, if materially false information is made to the Corporation and that information directly affects the ability of the Company to perform under the Agreement, or if the Company commits any fraudulent or criminal act in relation to the Standard Reinsurance Agreement or any policy reinsured under the Agreement, FCIC may require that the Company transfer the servicing and contractual right to all business in effect and reinsured by the Corporation to the Corporation.

§ 400.176 State action preemptions.

(a) No policyholder shall have recourse to any state guaranty fund or similar state administered program for crop or premium losses reinsured under such Standard Reinsurance Agreement. No assessments for such State funds or programs shall be computed or levied on companies for or on account of any premiums payable on policies of Multiple Peril Crop Insurance reinsured by the Corporation.

(b) No policy of insurance reinsured by the Corporation and no claim, settlement, or adjustment action with respect to any such policy shall provide a basis for a claim of damages against the Company issuing such policy, other than damages to which the Corporation

would be liable under federal law if the Corporation had issued the policy of insurance under its direct writing program, unless the claimant establishes in a court of competent jurisdiction, or to the satisfaction of the Corporation in the event of a settlement, that such damages were caused by the culpable failure of the Company to substantially comply with the Corporation's procedures or instructions in the handling of the claim or in servicing the insured' policy, or unless the Company or its agents were acting outside the scope of their authority (apparent or implied) in performing or omitting the actions claimed as a basis for the damage action.
